

ANNUAL DOLLAR ALLOTMENT PRODUCT CATALOG

Through ORR Safety's online ordering program ORRbit the choices are better than ever before! Enjoy a wORRld of possibilities through ORRbit with a wider variety of PPE tailored product offering based on our employees' needs, preferences, job requirements and duty location.

Dressed and Ready – Go Home Safe

Each employee will manage their stock throughout the year and ensure they come prepared to work with all necessary PPE to do their jobs safely and efficiently.

Required PPE - NOTE: If the employee chooses not to purchase the required items they will be prompted at checkout to acknowledge that they have adequate supplies of each item:

- Hearing Protection
- Eye Protection
- Vest
- \$300 Annual Allotment.
- Must order the seasonal items for both winter and summer months.
- Enter your complete physical home shipping address (no PO Box allowed) and email address to receive shipment notifications.
- Confirm you have selected the correct size and items, (sizing charts are provided in the Product Flyer and online). Returns for wrong sized items will receive a 10% restock fee. To avoid this additional fee, employees should contact their Supervisor or Co-workers prior to requesting a return to see if they have the size needed.
- Employees have within five (5) days of delivery of product to report any shortage, mis-ship or concerns to ORR Safety Customer Service, Phone: 800-669-1677 or email: custserv@orrsafety.com. Returns submitted without the Return Materials Authorization Number provided by ORR Safety will receive a 30% restock fee
- If you are unable to access the online ordering link at any time, have technical issues or have any additional questions, please contact ORR Safety's Customer Service Team, Phone: 800-669-1677 or email: custserv@orrsafety.com.

Should an employee report to duty without the proper PPE, it is the employees responsibility to contact their on-duty manager and ask PPE to be provided for the day.
