

THE BELT RAILWAY COMPANY OF CHICAGO

Office of the Transportation Department

TRANSPORTATION NOTICE

2022-028

Effective 0001, Monday, August 15, 2022

To: All Transportation Employees

Subject: New High Security Key.

BRC has discontinued the use of the High Security Locks utilizing the chipped key at all locations on Main Line track.

Newer locks by Sargent & Greenleaf now replaced the High Security Locks effective immediately and RR key #102 will be used on all Main Line track.

If you require a # 102 key, please see the Asst. Director of Safety (Mark Labbe) at the General Office.

T. Hartwig
Terminal Superintendent
