

BRC GENERAL NOTICE

#2025 - 002

Effective 0700, May 23rd, 2025

To: ALL Employees

Subject: Change in Store House Lead Configuration (Clearing Yard)

As of May 23rd, the Configuration of the Store House Lead Track and track known as #2 Main leading into the Clearing District Yard has been re-configured.

The previous track known as Store House Lead has been relocated, track known as #2 Main is now a Stub Track at Central ave and can only be accessed from the west. This track will now be named the Store House Lead.

The Diesel Shop Foreman will remain in control of this track has an End of Track Appliance (coupler height brace) located at the east end of it approximately 270 feet from the clearance point at the west end of the track.

Chris Gorski

Assistant Superintendent of Transportation
