

THE BELT RAILWAY COMPANY OF CHICAGO

Transportation Notice

2025 - 003

Effective Friday July 18th, 2025.

To: All Transportation Employees

Subject: Hump Speed Trial Study

The BRC will be conducting a study regarding humping at a designated speed, this will take place during a selected period. Below is a table indicating the time period and speed which all crews will be required to maintain during the trial.

All hump assignments will be required to maintain the designated hump speed while "Humping" on all East & West Hump assignments. In the event during the study if required speed cannot be maintained, Yardmaster & Crew Members must notify the Terminal Manager immediately.

Hump Study Time Periods & Speeds:

Dates	Speed Selector Position (Hump OCU)	MPH
	Couple (Hump Slow)	1.9
July 21st, 2025, to August 3rd, 2025.	Hump	2.0
August 4th, 2025, to August 17th, 2025.	Hump Fast	2.1
