# BRC GENERAL NOTICE #2026 – 018

**Effective 0001 CST November 18th, 2026.**

**To: All Employees**

**Subject: New Yard Access Crossing Installed**

A new Yard Access Crossing has been installed in Clearing Yard to accommodate the new track configuration at the west end of the Martin Building repair tracks. Construction at the crossing is ongoing; however, the crossing is open to vehicle traffic. Employees are reminded to exercise extra caution when traveling through this area, as workers may be present.

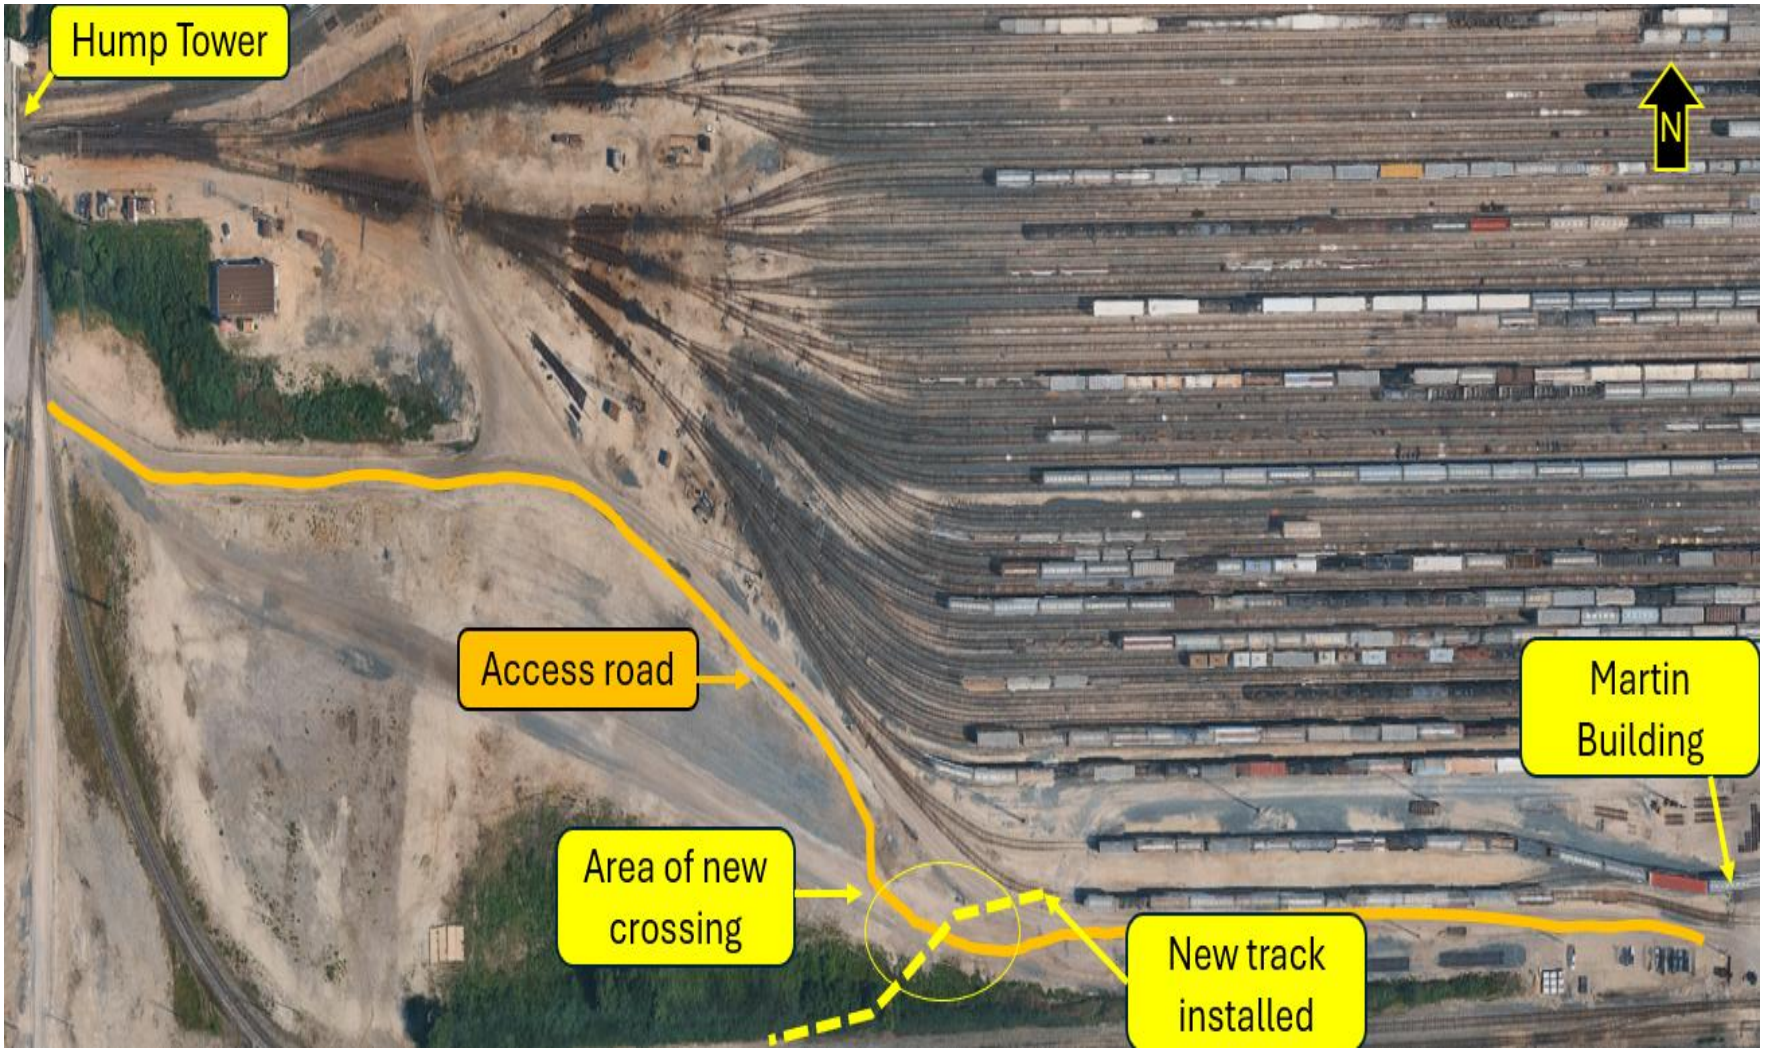

The crossing is located along the south access road in Clearing Yard, between the Hump Tower (Building 1) and the Martin Building (Building 19).

A map showing the location of the new crossing is provided on the second page of this notice for reference. All drivers must use caution, remain alert, and verify that there is no train movement in either direction before proceeding through the crossing.
